ABOUT ME

IT enthusiast with a keen interest in Linux, and have been using it since a young age. In recent years I have embraced DevOps practices and technologies such as automation, IaC, Ansible & Kubernetes. I am a good team player but can work autonomously as required. I enjoy learning new technologies & methodologies.

EXPERIENCE

Jul. '21 – Present CapGemini - HMRC Market Unit

Platform Engineer

Platform monitoring in a cloud-native (AWS) environment. Large-scale Prometheus monitoring (10,000s of pods), Thanos aggregation, Alertmanager, Kubernetes integrations (kube-state-metrics, Prometheus adapter, Prometheus operator). Helm, Terraform deployments. Packer for building immutable AMIs. Consul, consul-template for service discovery/configuration. Hashicorp Vault.

AWS / Prometheus / Terraform / Helm

Sep. '20 - Jun. '21 Flextrade Systems

DevOps Engineer

Cross-functional working, unifying operations & development teams, primarily working on automation & build environments. In-house automation tooling (Python), Ansible. Continuous delivery. AWS EC2, Route53. VMware Cloud on AWS. Bare-metal Kubernetes on-premises (PXE). Jenkins Pipelines as code (groovy), GitLab Cl. Containerisation (docker). Metrics-based monitoring (Prometheus, Grafana). Infrastucture-as-code (Packer).

Ansible / Jenkins / Kubernetes / Continuous Delivery

Mar. '19 - Aug. '20 Flextrade Systems

Systems Administrator

Operations in a SaaS environment. Supporting 1,000s of Linux VMs. Citrix, VDI, Active Directory, LDAP. Firewalls, L2 switching, iptables, tcpdump, mitmdump, TLS troubleshooting. HAProxy & nginx. PostgreSQL, MongoDB. Nagios. Jira, Agile methodology (sprint, kanban).

Puppet / VMware / Cisco ASA, IOS / RHEL, CentOS / Ticket Triage

Aug '17 – Feb. '19 **Vyper Networks**

Junior Systems Administrator

First line desktop support. On-premises customer visits. Linux web & mail server administration.

nginx / postfix / CentOS / Desktop Support

EDUCATION

Sep. 2018 Certification ID 180-199-853

Red Hat Certified System Administrator

2015 – 2017 Northgate Sixth Form A Levels

Mathematics, Physics, Computer Science

LANGUAGES

English - Native Polish - Proficient German - Proficient French - Beginner Russian - Beginner

HOBBIES

I enjoy tinkering in my home lab. I'm a massive petrolhead and am interested in anything with a combustion engine. I like to cycle at the weekends. I am also an avid photographer.
